- Do you want to work in an academy where we value the teacher as the expert?
- Do you want to work in an academy that invests heavily in professional learning?
- Do you want to work in an academy that has a very clear and systematic approach to addressing student behaviour?

If your answer to all of the above is yes, this could be the opportunity for you.

A unique opportunity has arisen to join a passionate team of staff at The Telford Priory School.

We are seeking to appoint a teacher of Maths.

The Telford Priory School is a successful, forward-thinking organisation which maintains high expectations of staff and students.

The successful candidate will have a passion for achieving excellent outcomes for young people. Teach engaging and challenging lessons that are grounded in cognitive science informed pedagogy. Value enrichment opportunities and be passionate about delivering a high quality extra-curricular programme. Recognise the value of learning beyond the classroom and help shape global citizens by enhancing the understanding of the world we live in. Have the willingness to work with colleagues and reflect upon their practice.
