

Job Description – Year 11 Senior Student

Essential Requirements

- Attendance must remain above 95%
- No more than 1 x C5 Reflection Room within an academic year
- No C6s
- Role model the expectations of the school including the TPS values
- Must have the ability to motivate and drive improvements amongst their peers

Desirable Skills

- Good communication and relationship skills.
- Have an appreciation for people from diverse backgrounds.
- Be reliable and committed to the students they are working with.
- Demonstrate good leadership skills and be self-disciplined since other students and staff will be looking up to them.

Role Specific Responsibilities - Senior Prefects

- Inspire the students in the school to better themselves and help drive TPS forward believing in the role of everyone to 'do the right thing when no one is looking'
- Inspire the students and ensure students support the house ethos
- Support with the planning and presentation at various school functions
- Support the training programme for the student leadership pathway in school
- Undertake roles allocated by HOH/tutor
- Liaise with Prefects to gain Student Voice feedback
- Attend scheduled meetings to present views of other students to senior staff
- Participate in development of strategies or initiatives suggested by students
- Share information with other students via assemblies when required
- Participate in student panels for staff interviews
- Assist with organising student events such as Prom
- Organise a global citizenship project with Year 11 Head Students

Training and Entitlement

- Introductory training day (s) in October 2020
- Regular specific training throughout the academic year
- Access to inspirational development programs and trainers
- Support with CV and Personal statement writing
- Reward trips and incentives
- Student Leader Awards Evenings
- High profile in and around school
- Access to support staff / events at regular opportunities
- Opportunity to underpin the student voice structure at TPS to support the school's progression
- Letter of recommendation upon completion of role

A student leader strives to be a global citizen in a changing world; they endeavour to make a difference in the world starting with their own community. Student leaders take on the responsibility of role modelling, guiding and empowering others to achieve their full potential.
